IPEX CLEANTECH ASIA ("IPEX") is a Strategy & Business Development Advisory firm dedicated to helping foreign Cleantech companies grow in emerging Asian markets by finding the right distributorship, licensing and/or joint venture local partners.

With both financial, technical and legal expertise, IPEX also supports project developers and technology seekers in Asia, by scouting for opportunities worldwide and arranging IP acquisition, licensing and M&A transactions.

IPEX was established by ReEx Capital Asia (a leading clean energy Investment bank), DNV GL (a global technology & innovation advisory firm) and the Asian Development Bank. Its headquarters are in Singapore with staff all across Asia.
